Life is great

Ben is a honey bee. He lives in a hive(улей) under a tree. He works every day. He flies from flower to flower, and he looks for honey every day. There are a lot of fat grubs (личинки) in the hive. They want some honey. They are always hungry.

Ben doesn't want to work today. He is tired. The sun is shining and it is a fine day.

"Today I want to sit on a yellow flower in the sun. I want to close my eyes, and listen to the wind. Ah! Life is great!"

Suddenly, a bird sees Ben on the flower. This bird is hungry and it likes bees. Ben sees the bird.

"Go away! Go away!" shouts Ben. "Oh flower! Please help me! Help!"

Suddenly, the sun goes behind a cloud. All the yellow flowers close their petals (лепестки).

"These flowers are magic", thinks Ben. He is safe now. The bird does not eat him. Ben flies back to the hive. He is happy. Life is great.
